

Intimidator Spot 110

Small but mighty, the compact Intimidator Spot 110 is a lightweight LED moving head perfect for modest mobile applications. It features separate color and gobo wheels for creative programming but also easy-to-use sound-activated programs for dynamic light shows to sync to the music. Built-in automated programs are also on board the Intimidator Spot 110 and it's easy to generate a synchronized show in Master/Slave mode. Fits best in the CHS-40 VIP gear bag.

Highlights

- Extremely compact and lightweight LED moving head perfect for mobile applications
- Separate color and gobo wheels allow for creative programming
- Sound-activated programs dance to the beat of the music
- Generate a synchronized show in Master/Slave mode with built-in automated programs
- Fits best in the [CHS-40](#) VIP gear bag
